

Fawaz Ahmad Shahzad

Nationality: Pakistani **Date of birth:** 07/04/2003 **Place of birth:** Rawalpindi, Pakistan **Gender:** Male

Phone number: (+92) 3110540839 **Email address:** fawazahmad913@gmail.com

Home: Satellite Town, 44000 Rawalpindi (Pakistan)

ABOUT ME

IT graduate from Quaid-i-Azam University with hands-on experience in AI, machine learning, and web development. Former Vice President of AICP-QAU, skilled in Python, C++, and HTML/CSS.

WORK EXPERIENCE

Digital Tent Studio – Islamabad, Pakistan

Web Developer Intern

[01/07/2025 – Current]

- Developed and maintained front-end components using HTML, CSS, JavaScript.

National Centre for Physics (AITEC) – Islamabad, Pakistan

Machine Learning & Deep Learning Intern

[01/08/2024 – 13/09/2024]

- Built and trained AI models with Scikit-learn and TensorFlow.
- Worked on model evaluation and documentation.

EDUCATION AND TRAINING

Bachelor of Science in Information Technology (BSIT)

Quaid-i-Azam University [01/09/2021 – 01/08/2025]

City: Islamabad | Country: Pakistan | Website: <https://qau.edu.pk/> | Final grade: 3.3/4.0 | Level in EQF: EQF level 6

LANGUAGE SKILLS

Mother tongue(s): Urdu

Other language(s):

English

LISTENING B2 **READING** B2 **WRITING** B2

SPOKEN PRODUCTION C1 **SPOKEN INTERACTION** C1

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

SKILLS

Soft Skills

Problem Solving / Leadership / Communication / Management

Technical Skills

Python (computer programming) / C++ / HTML/CSS / Javascript / Machine Learning / Open CV / Git / Microsoft Office

PROJECTS

[23/09/2024 – 15/07/2025]

Real time Suspicious Activity Detection System Final Year Project

- Developed a real-time intelligent surveillance system using **Python**, **OpenCV**, and the **Google Gemini API**
- Detected suspicious activities including **weapon handling**, **fighting**, **fire**, and **smoking**
- Sent image frames to Gemini API for real-time **activity analysis**
- Triggered **email alerts** with snapshot evidence when suspicious activity was detected
- Logged incidents in a **SQLite database** for traceability
- Built a **web-based GUI** for user interaction and monitoring
- Implemented **cooldown logic** to prevent redundant alerts

Hand Gesture Brightness Control Semester ProjectUsed MediaPipe and OpenCV to create a gesture-controlled system that adjusts screen brightness in real-time.

Disease Prediction App Semester ProjectMachine learning-based application to predict potential illnesses based on user-input symptoms using trained datasets.

File Management System Semester ProjectJavaFX + XAMPP-based desktop application for file management with a user-friendly interface.

Link: https://github.com/FawazAhmad3/File_management_System

IIT Department Web Portal Semester ProjectDeveloped a web portal for department information sharing using HTML, CSS, JavaScript, and XAMPP.

English Department DBMS Semester ProjectCreated a SQL web-based DBMS to manage staff and student records with login authentication and CRUD functionality.

Transport Sector Research Semester ResearchConducted research on Pakistan's rent-a-car industry, analyzing its digital transformation, challenges, and growth potential.

Grocery Store System Semester ProjectC++ console application to manage inventory, billing, and generate sales reports for a grocery store.

ACHIEVEMENTS

National Competitions

Participant at COMPPEC 2025 (NUST EME national exhibition).

Event Leadership

Managed the Open House event for Final Year Students at Quaid-i-Azam University, coordinating logistics and student engagement.

[2024 – 2025]

Certificate of Recognition – Vice President, AICP QAU Student Chapter

Artificial Intelligence Community of Pakistan (AICP), Quaid-i-Azam University, Islamabad

- Awarded in recognition of valuable contributions and successful completion of tenure as **Vice President** of the AICP QAU Student Chapter.
- Contributed to organizing AI-related events, fostering student engagement, and supporting the university's AI community.

Workshop Organization

Organized a workshop on Microsoft Technologies under the Pak-Finland initiative at Quaid-i-Azam University.

CERTIFICATIONS

Online Courses

ADVANCED JAVASCRIPT: Scrimba — 08/2025

Introduction to AI concepts: Microsoft — 07/2025

Getting Started with Data Science in Microsoft Fabric: Microsoft — 07/2025

Learn Tailwind CSS: Scrimba — 02/2025

Manage Repository Changes by Using Pull Request on GitHub: Microsoft — 08/2024

Introduction to Cybersecurity Tools & Cyber Attacks: Credly by Pearson — 03/2023

Ethical Hacking Essentials (EHE): EC-Council — 03/2023

Introduction to Cybersecurity Tools & Cyber Attacks: IBM — 03/2023

Introduction to Microsoft Excel: Coursera — 01/2023

Getting Started with Microsoft PowerPoint: Coursera — 01/2023

Getting Started with Microsoft Word: Coursera — 01/2023

Command Line in Linux: Coursera — 01/2023

RECOMMENDATIONS

Name: **Prof. Dr. Adeel Anjum** | Director, Institute of Information Technology(IIT), QAU

- I have known Fawaz Ahmad for several years during his studies at Quaid-i-Azam University, where he consistently demonstrated enthusiasm, responsibility, and a strong commitment to learning.
- He possesses solid technical skills in machine learning, computer vision, and software development and has shown leadership as the former Vice President of AICP-QAU and an active contributor to the IIT Society.
- I highly recommend Fawaz for roles that value innovation, collaboration, and technical excellence.

Email: aanjum@qau.edu.pk
